

FUNDING AND PROMOTIONS OVERVIEW

You're feeling lost in the jungle of funding opportunities but don't want to let your money go to waste?

Then contact us regarding potential funding and promotions. The sooner the better.

The FÖRDERSERVICE (Funding and Promotions Service) of the Lower Austrian Economic Chamber is your first point of contact for all questions concerning funding and promotions for your business. We provide analyses, counsel, support, and networking opportunities, regardless of whether funding comes from the Federal Province of Lower Austria, the Austrian State, or the European Union.

Check out the various funding and promotion opportunities at an early stage.

If you prepare targeted and precise questions regarding your project this will enable us to answer you in greater detail.

Use our consultancy services, e.g., our Financing and Funding Consultation Day or subsidised consultation.

Prepare for possible loan discussions. Applications for financial support will be through your bank advisor.

Keep your records up-to-date!
e.g., business plan, financing plan, etc.

File your funding application in good time, i.e., always **PRIOR** to making an investment or awarding a contract.

Our funding and promotions specialists at the Lower Austrian Economic Chamber will

guide you and your business through the manifold and often complex funding programmes. Take us up on our offer. It'll be worth your while!
