Work group for civil safety

The work group is a cross sector association within the Austrian Federal Economic Chamber (WKÖ) in Vienna. The work group represents as well as promotes the interests of Austrian companies in the civil sector for weapons and munition.

The work group was founded of the association for building material-, iron-, timber-, pyrotechnic- and arms trade as well as by the association for metal technicians (gunsmiths) in 2017.

Purposes of the work group

- » Improving the image for private possession of weapons
- » Conveying and strengthening the value of weapons in the civil society
- » Maintaining international contacts and promoting the exchange of information
- » Partner of authorities for more safety
- » Enhanced representation of interests
- » Guaranteeing quality assurance in arms trade
