

## INFORMATION

Dear guest,

on **Friday, 7th March 2025**, there will be demonstrations within the centre of Vienna, which require safety measures (such as setting up protective barriers and temporarily restricting access to certain areas of the city centre) carried out by the police.

In order to pass police-blocks and checkpoints, your hotel hereby confirms your residency on **7th March 2025**. Please make sure to show this confirmation to the Police-Officers so you can get to your hotel trouble-free, as long as the security situation allows a passing of the checkpoints and police-blocks.
